Who Are We?

Explore AmbiShield's range of disposable garments designed to provide superior protection for workers across various industries.

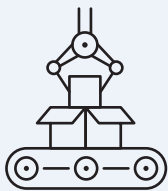

With a commitment to quality and affordability, AmbiShield offers a wide selection of disposable clothing and limited-use apparel that meets the needs of workers in the food processing, industrial safety, lab safety, general maintenance, and food service industries.

At AmbiShield, we understand the importance of reliable protection, especially in high-risk work environments. That's why we've made it our mission to create products that not only meet industry requirements but also provide unmatched comfort and style for workers. Our current product range includes disposable head coverings, isolation gowns, and aprons, among others, all designed to withstand the rigors of daily use while providing maximum protection. We are continually growing our offering and are always happy to discuss special requests.

But what truly sets AmbiShield apart is our dedication to personalized customer service. As a part of the Tradex family, we believe in building lasting relationships with our clients. That's why we assign a dedicated representative to each account, ensuring that every customer feels heard and valued. Whether you're a small business or a large corporation, we're committed to delivering outstanding products and an unparalleled customer experience. Become an AmbiShield distributor today and experience the difference that we can make in your business.

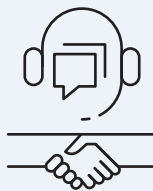

OUR STRENGTHS

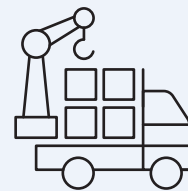

MANUFACTURING

Our close ties with specialty manufacturers enable us to turn out world-class products, in very short time frames, at attractive prices.

CUSTOMER SERVICE

With decades of experience in the PPE industry, we are able to offer crystal clear communication and disposable garments service to our distributors.

LOGISTICS

Multiple master distribution sites, coupled with a dedicated supply chain team, mean that products are always delivered with maximum efficiency.
