- Perfect for offices, light industrial sites, warehouses, sporting venues
- Compact and portable in a weatherproof, type III metal case
- Meets ANSI 2021 Class A standards to keep you OSHA compliant with essential first aid supplies
- First aid supplies are efficiently packed to provide easy access during an emergency

Details & Contents

Description

The 10 person ANSI A First Aid Kit in a metal case contains 76 pieces to treat minor injuries. The kit contents meet both ANSI and OSHA standards and are sufficient to treat up to 10 people. The metal, weatherproof storage case has two latches to keep the case closed and a handle to facilitate transportation to the site of an injury. The case also includes tabs for mounting the case on a wall or other flat vertical surface.
