Details & Contents

Description

This 95-piece OSHA First Aid Kit includes prepackaged first aid supplies for up to 25 people. The kit comes in plastic weatherproof case to keep contents free of moisture and dust. The storage case has two latches to keep the case closed and a handle to facilitate transportation to the site of an injury. The case also includes mounting holes in the handle for mounting the case on a wall or other flat vertical surface. This first aid kit is suitable for use in offices, buildings, cars and other facilities.
